

Cancellation / No-Show Policy

Greco PT & Sports Performance, PLLC requires 24 hours advanced notice for appointment cancellation. Our voicemail is available at all times.

In our efforts to keep quality of care at a very high level, Greco PT & Sports Performance, PLLC does not schedule more than two patients per hour. As a result, missed appointments greatly affect our office's bottom line.

If appointments are missed or canceled within 24 hours patients are subject to a \$50 charge.

This charge is in place because your vacant time slot is a missed business opportunity for our clinic. **We are unable to bill your insurance company for the missed appointment fee.**

If you have more than 3 missed appointments you will be subject to discharge from therapy. In order to maximize the results from therapy, regular attendance is required.

I have read and understand Greco PT & Sports Performance, PLLC's cancellation and no-show policy.
